Bullard Hard Hats (C30 or S51)

Flat front, trim profile shell design combines a perfect fit with a look that workers prefer. Features rain trough and polyester brow pad for comfort. Lightweight, high-density, polyethylene construction for durability. Available with 4-point suspension with self-sizing pinlock or Flex-Gear® ratchet adjustment. Meets ANSI/ISEA Z89.1-2009, Type I, Class E and G, and CSA Z94.1-2005, Type 1, Class E and G.

\$8.99/hat

Bullard Classic Series C33 Full Brim Hard Hat

The Classic Series Full Brim hard hats are one of the most popular styles of head protection. The hat has a six-point suspension with 1" wide nylon straps that offer increased balance and comfort. The Full Brim hat offers increased protection from harmful UV rays, glare, splash and rain. There is an absorbent cotton brow pad that provides superior comfort. There are vertical adjustment snaps on the front, side and rear positions C of the headband that form the basis for a customized fit without the removal of the suspension. The ratchet suspension on these hard hats are Flex-Gear and it has a cushioned nape with a large, easy to turn ratchet knob.

\$22.99/hat
